

How to get the Scopus ID of an author

Step 1:

Go to <https://www.scopus.com/freelookup/form/author.uri> and search for your desired author.

Search for an author profile

Scopus is the world's largest abstract and citation database of peer-reviewed research literature. With over 22,000 titles from more than 5,000 international publishers. You can use this free author lookup to search for any author; or, use the Author Feedback Wizard to verify your Scopus Author Profile. Register for your unique ORCID and use Scopus to import your records.

Author last name
Keshav
e.g. Smith

Author first name
